25 YEARS AGO

The 1986-87 trapping season opened on November 20 and continued through January 1. The most commonly trapped furbearers in Kentucky are muskrat, raccoon and fox. The gray fox was removed as a varmint because of the declining numbers in the western and central part of the state.

Ordinance 326 "banning the shooting of firearms in the city" was passed. The council also agreed to put a sign on U.S. 27 and 177 listing businesses in the city.

50 YEARS AGO

The Pendleton Memorial Wildcasts extended their winning streak to nine games with no losses when they defeated Mason County by a score of 75 to 62. The loss was the second of the season for Mason County.

Thank you for parade support

Dear Editor,

On behalf of the Festival Committee members, we wish to thank the many people who contributed in some way in making the parade and events a huge success. Without the volunteers, the donations, and the kindness of many, we could not have had such an event. We would like to acknowledge that over \$2000 in gift certificates, gift cards, merchandise, and money was donated toward our raffle; with most being right here in Falmouth. We would like to say a heartfelt thank you to each merchant and individual that gave so generously toward our raffles.

A special thank-you to Pendleton County 4-H for doing the hot chocolate and cookies, to Barry Stevens for providing entertainment of ventriloquism, Ridge Ringers from Turner Ridge Baptist Church, the Southern Elementary 4th and 5th grade chorus, along with entertainers Holly Fogle Trimble, Adarin Williams, and Myron Doan. Your contribu-

tions were so appreciated and enjoyed by many. To Chad Schultz of Crystal Compositions Photography for doing the pictures with Santa; John Peoples for the Limo use and to Kenny Hill for driving! To Ronnie Hinson and Loretta Cummins for portraying Santa and Mrs. Claus-thank you and to other volunteers, we thank Bob Fogle, Cindy Brown, Eric Love, Ronnie Williams, Leah Voet, and Chrissy O'Hara. They tirelessly worked with us making sure everything fell into place. There is always the risk of leaving someone out, and if we've done so...we apologize...but know that each and every person that contributed is greatly appreciated.

Below is a list of every person, organization, and/or merchant that donated. We appreciate your support more than words can express.

Dr. Peter Fullwood, President of Rotary, 1970

Dr. Peter Fullwood was born on September 24, 1929 in Chesterfield, England. He served in the British Navy and also the Rhodesian Army and settled in the Union of South Africa at the age of 25. He worked on the railroad as well as served as a foreman in a copper mine where he severely hurt his back. A chiropractor helped him greatly in overcoming his back injury and this experience changed Dr. Fullwood's life, because he decided to go into chiropractic. This caused him to migrate to the US and go to Palmer School of Chiropractic near Davenport, Iowa.

But we are getting ahead of the story of his life for he had married Myra May Gerber of German descent on July 13, 1957. She was a nurse's aide and they started their family while in the Union of South Africa. Three children were born to this marriage: Elizabeth Ramsey (Clayton) who now lives in Falmouth; Mark (Jackie) Fullwood of Georgetown; and Peter, (Karla) Fullwood of Fort Thomas.

When Dr. Peter graduated from Palmer in 1967, he moved with his family to Falmouth, and practiced chiropractic medicine independently for 40 years. This writer sought his services on an occasion for back trouble and he was quite effective.

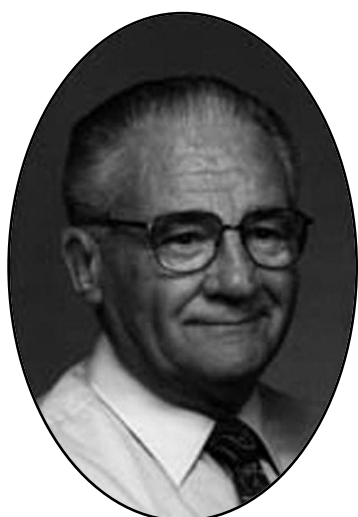

He made a good living here, and perhaps more importantly, became heavily involved in the community.

He was a former mayor of Falmouth; former 8 year member of Falmouth City Council; past president and member of the Pendleton County Mental Retardation Board; past president and member of the Falmouth Lions Club; and past president of the Pendleton County Child Abuse Task Force. He was honored as a Kentucky Colonel and attended the Falmouth Methodist Church.

Dr. Peter was a strong physical man who chopped his own firewood and built stone walls around his property. He liked to fish in the Licking and Kincaid Lake. Elizabeth said that his grandsons marveled at how their grandfather could outrun them on the soccer field. He also played field hockey and rugby with them, teaching them these sports from the old country.

She also remembers his helping with the pancake supper, which Rotary conducted, and her father flipping the pancakes as she took up tickets and helped seat guests.

Dr. Fullwood was involved in one of the darkest day in the history of Falmouth Rotary, a day during which the Club lost 10 members, Dr. Fullwood being one of them. The issue centered around a program invitee who was to address the Club on the health hazards of tobacco. Some others contended that a pro tobacco spokesman should also be invited to balance the argument. And, the contention was divisive. A plausible explanation to the division of members suggests that the underlying issue was a battle among the

DR. PETER FULLWOOD

banks concerning a pending certificate of need.

Elizabeth has no recall concerning this conflict but does remember her father saying that he wanted to join the Lion's Club because it seemed to be more locally oriented. This writer also was in the Falmouth Lions Club with Peter and remembers him as a man of principle, intelligence and commonsense. He and Myra seemed to have a close marriage and after she passed on, the spark in Peter's eyes seemed to dim, understandably so.

Karla, a Methodist minister, conducted his funeral at Woodhead's with Darryl Ammerman providing the music.

Falmouth lost a giant with the passing of Dr. Peter Fullwood! Sources: Elizabeth Ramsey; Dan Woodhead; Falmouth Outlook write-ups courtesy of Cheri Figgins, Pendleton County Public Library.

Annual Hope for the Holidays program was held

Pictured above, back row, from left, Randy Wells, Joan Angell. Front row, from left, Mary Hillenmeyer, Dan Woodhead, Judy Woodhead, Helen Strasser, Emily Hoffman, Shane Hammons, and Jeff Adkins. Not pictured: Peg Lynch, Jessica Elie, and Donna Kasik.

On Sunday, December 4, approximately 150 people gathered at the Pendleton County Extension Center for the 18th annual Hope for the Holidays program sponsored by Woodhead Funeral Homes and Memorials and Hospice of Hope.

Wayne Keith shared music with the guests before and during the program. At 2 p.m., Mary Hillenmeyer of Woodhead Funeral Homes, greeted the guests and introduced Donna Kasik, Hospice Chaplain, who offered the opening prayer. Peg Lynch and Jessica Elie then conducted the candle lighting ceremony.

Afterwards, Mary Hillenmeyer introduced the guest speaker, C. Jan Borgman, Bereavement Coordinator for Cincinnati Children's Hospital Medical Center, who offered practical suggestions about han-

dling the holidays when you are missing a special person in your life. After her presentation, Dan and Judy Woodhead, Randy Wells, Shane Hammons, Jeff Adkins, Emily Hoffman and Mary Hillenmeyer helped families to take part in honoring loved ones by placing ornaments on the Tree of Remembrance.

Shelby McDowell, chaplain from the Hardin-Browning Post #109, placed the first ornament on the tree honoring the men and women in the military, police officers, firemen, and all public servants who have sacrificed their lives for our freedom. After each family had an opportunity to visit the tree, Donna Kasik offered a prayer to dedicate the Tree of Remembrance, after which the tree was lighted. With only the tree to light the room, Wayne Keith shared a memorable rendition of "Angels

Among Us." At the conclusion of the song, Randy Wells shared a special reading followed by Shane Hammons, who thanked all in attendance and all who had been a part of preparing for and conducting the program, before he invited everyone to stay for food and fellowship. The meal was served by Hospice volunteers: Helen Strasser, Joan Angell, Peg Lynch, Jessica Elie, and Donna Kasik.

The Tree of Remembrance has been moved to Woodhead Funeral Home, 310 W. Shelby Street, Falmouth where it will be on display throughout the holiday season. If you were unable to attend and would like to pick up an ornament or any of the reading materials distributed at the program, feel free to stop by the funeral home. If you have any questions feel free to call at (859)-654-3306.

NKU Ed. D. Learning Associates take first place

Megan Downing and Shawn Nordheim of Pendleton County, along with their fellow Learning Associates Linda Hayes, Cheryl Swayne, and Melody Rawlings represented NKU's Doctorate of Education in Educational Leadership program in the graduate division of the 2011 International Leadership Association (ILA) Student Case Competition in London, England.

The annual student case competition pits students attending ILA's annual global conference against one another in a contest where teams analyze a real world case involving contemporary leadership issues and develop a specific set of strategic recommendations that address key issues in the case.

Teams of three to five students compete in three rounds, furthering their leadership development and presentation skills as they prepare and present their case response in each round to a panel of judges. The winning team shares a monetary award and receives complementary memberships to ILA. The NKU team elected to donate their monetary prize to one of the non-profit organizations identified through their research who is committed to fighting the human trafficking crisis.

NKU's team competed in the finalist round against teams from Indiana Tech and a combined team with representatives from Marquette, Regents, and Mountain State Universities,

and earned first place recognition following their outstanding case presentation and question and answer with the judges. Judges' comments included praise for the NKU team's passion about their selected topic, strong presentation skills, solid research, application of leadership theory, and overall professionalism.

"The International Leadership Association is the global network for all those who practice, study, and teach leadership. The ILA promotes a deeper understanding of leadership knowledge and practices for the greater good of individuals and communities worldwide." Get the most from wood-burning

Wood may rarely be used as a primary heat source today, but many homeowners continue to use fireplaces and wood-burning stoves to help reduce their use of other energy sources.

Wood can provide an economical and enjoyable way to heat your home, and it pays to know a thing or two about purchasing and using this natural resource.

The first question often asked is what kind of wood to buy. Knowing if a species is a high or low density wood can have a big impact on the amount needed. Low density woods such as yellow poplar, silver and red maples, and buckeye, contain a greater amount of air between the cell walls. High density species such as oak, black locust, hickory, ash and beech produce more heat per unit volume because they contain more wood and less air in their cellular structures. Moisture contents being equal, the more economical purchase will be high-density woods that generate more heat.

Another important factor to evaluate is how well the wood was seasoned. Wood comes from living plants which means they contain water. The moisture in unseasoned wood can account for up to 50 percent of its weight. Energy generated from burning wet wood goes toward evaporating the moisture within the wood itself and can greatly diminish its heat producing capacity. Seasoned wood has been allowed to air dry for

six to 12 months which removes the largest percentage of water. Well-seasoned firewood is gray in color. It has splits in the ends of the logs and looks weathered. Round logs split into smaller sections yield more surface area and speed the drying process.

Knowledge of how firewood is measured is a third important piece of information to learn in order to get the most from your wood-burning dollars. Terms used for describing a volume of wood include cord, face cord, fireplace cord and rick. The size and shape of individual logs and how carefully they are stacked influences the actual volume regardless of the weight purchased. These terms are open for interpretation, and the best buy is a mutual agreement between the consumer and the seller. The purchase price also may include splitting, delivery and stacking.

Finally, if you plan to transport your purchased firewood, you need to estimate the weight of the load. Common high density species used for fuel wood, such as oak and hickory are extremely heavy per unit volume. Weights equaling 4,500 pounds can be quickly reached without using the full capacity of the truck or trailer used to transport the load.

The best firewood produces the greatest heat value at the lowest cost. For more information about firewood and fireplace and heating stove safety, contact the Pendleton County Cooperative Extension Service.

Exercise for the non-athlete

The winter months bring fewer hours of daylight, colder temperatures and more wet weather. Couch potato syndrome is on the rise which means getting the proper amount of physical activity may require creative thinking, especially for children not involved in school sports programs.

Children should engage in at least one hour of physical activity every day. This does not have to happen all at one time. Just 10 minutes of physical activity can result in health benefits.

Three types of exercise: aerobic activity, muscle strengthening and bone strengthening are important for health in growing children. Physical activity can be a combination of any of these three.

The greatest part of the exercise hour should be spent doing aerobic activities which involve moving lots of muscles at one time. Running, brisk walking, biking and swimming all are

good choices to get the heart rate up and the body moving. Muscle strengthening activities include exercises such as pushups and sit ups. Bone strengthening exercises focus on putting a little pressure on bones and may include stair climbing or lifting and carrying.

A good goal for children is to participate in these activities at least three days a week. Even when the weather outside is frightful, children can still get the physical activity they need. Using things found in and around the home can provide opportunities for family fun and exercise.

Here are some indoor activity ideas along with the appropriate age for participants: stair climber - ages: 6 and up. All you need is a set of stairs and a stop watch.

Take turns to see how fast you can get up the stairs and back down. Challenge family members to beat the fastest time.

Freeing your closet from clutter

Decluttering your closet is a liberating experience. Life begins to feel more manageable and your clothing and shoes are better suited to who you are now.

If tackling all of the closets at once is to too daunting, set aside a firm two-hours each week and clear one room's closet at a time.

Start by getting four large boxes. Label them keep, throw out, donate and not sure.

If you are afraid you will throw out something mistakenly, use clear plastic bags and clearly label each.

Be tough but give all family members a chance to decide what goes and what stays.

Start at the top shelf and work your way down. Take everything off the shelves. When everything is off the shelf, dust and wash the area.

Put the clothes you have not worn for a while but still like in the not sure area.

Near the end of the two hours, ruthlessly get rid of as many items as you can. Getting rid of extra clothes allows your clothing staples to breathe in the

closet instead of being packed in tight. Think of the ironing time you will save.

As your throw away box or bag fills up, take it to the garbage can right away so you won't be tempted to root through it again. As the donate box or bag fills, put it in the trunk of your car. The idea is to get the clutter out of your house for good.

When your closet is empty, clean the floor and walls. As you add clothes back to the closet, collect them in colors to save you time in the morning when you are getting dressed. Use shoe racks or an over-the-door shoe container and sort the shoes according to color too.

Separate everyday clothes from work outfits.

Then promise yourself that if something goes in your closet, something else will go out. If you follow this rule, you should never have to have another closet-cleaning marathon.

Varsity Wildcats begin their home season 1-1

Wildcat junior Andrew Antrobus battles a Scott High School player for possession of the ball. Antrobus scored 10 points and grabbed 6 rebounds.

By Bruce Reller, Jr. Reporter
The Pendleton County High School Wildcats officially opened up their season last week with a couple of home games. They lost a close game to Scott High School last Friday, December 2 and defeated South Laurel last Saturday, December 3.

The Wildcats began the regular season with a really close game against Scott. Both teams made runs throughout the game. Pendleton County led 32-27 at halftime as junior Andrew Antrobus led the team in scoring.

However, Scott made a big run in the third quarter and led 48-41 after three. They went up by nine early in the fourth quarter before the Wildcats made their run.

Pendleton County took the lead late in the game and was up 64-63 with seconds to go. Scott went down the court and was fouled on a made jumper with 2.3 seconds left. Scott made the free throw to cap off the three-point play and held on for a 66-64 victory.

"In the second half, it was back and forth. But we made a mental mistake. Unfortunately, they had the ball and made the shot," Simms said.

Wildcat senior Mason Monroe led the team in scoring with 14 points and added three assists. Senior Gabe Antrobus scored ten points and had four steals.

Also, Andrew Antrobus scored ten points and pulled down six rebounds. Junior Aaron Gibson scored nine points and helped out with three assists. Junior

Senior Gabe Antrobus looks to pass or try to get around a Scott defender in the Wildcats first home game last Friday, December 2.

Garrett Appleman came up with three deflections too.

"I'm proud of our team. We just needed a couple more stops," Simms said. "We have so much room for improvement. We will get better and be a great basketball team."

The Wildcats came back the next night to take on South Laurel. Pendleton County dominated most of the second half and picked up their first win of the season 71-56.

The Wildcats were down by three at halftime, but they stepped it up in the second half and took control. Mason Monroe took over and scored 24 points in the victory.

"We played very well. In the second half, our role players took over," Simms explained. "Mason Monroe wasn't going to

be stopped. He was demanding of the basketball and was a leader. I'm proud of Jared Rering too. He was physical and an offensive threat. They took their game to another level."

Gabe Antrobus also was a deep threat for Pendleton County. He made four three-pointers in the game and finished with 16 points. Rering scored 12 points and pulled down seven rebounds.

Next up for the Wildcats is a road game against Augusta tonight at 7:30 p.m., following the JV game. Pendleton will then head home to play Covington Catholic this Friday, JV game at 6 p.m. and varsity at 7:30 p.m.

Ladycats open season with a split

Last year, the Ladycats were throttled 51-34 by Bracken County to start the season and then bounced back the next day with a 80-46 whipping of Covington Latin. They ended the season with a run to the tenth Region semis.

This year, the script has started a similar way and the Ladycats hope to see a similar ending to their story. Bracken County ran out to a 16-point lead at half-time, 41-25 and increased their lead in the second half, posting a 76-51 victory.

The second game in the Bracken County Tip-off Classic saw the Cats handle Latin 64-50 to bring their record to 1-1. The Cats jumped out to a 20-5 lead in the first quarter behind a barrage of three pointers. Bradi Boden hit two in the opening stanza while Ashten Wolfe and McKayla Manor each nailed one while hitting six for the game.

Pendleton had 18 turnovers that lead to 22 points off turnovers for Bracken, shot 38 percent from the field including a dismal 30 percent in the pivotal first half, and was outscored 15-6 from behind the arc, a strength of the Ladycats. In addition, the Ladycats gave up 17 offensive rebounds.

Despite the above, Pendleton put them self in position to have the deficit at a manageable level at halftime by attacking the basket and getting easy free throw opportunities. They didn't convert though as they went 10-18 including missing the front ends of two one-and-ones. Hitting those and the deficit is in the single digits at halftime.

The following box score will list the Ladycat, their total field goals made, total free throws made and total points.

Ladycats: Wolfe 1, 2, 4, Hall 2, 2, 6, Boden 5, 1, 13, McClanahan 3, 1, 11, Jolley 1, 6, 8, Manor 1, 1, 3, Wanstrath 3, 0, 6. Totals 18, 13, 51. Three pointers: Boden 2. Ladycats 13, 12, 11, 15, 51 and Bracken 20, 21, 21, 14, 76.

The Ladycats cured several of their woes vs. Latin on the next day. For the game, they shot 46.6 percent, hit six three-

pointers for the game, out rebounded Latin 41-36, but the varsity committed only 14 turnovers. In addition, they held Latin to 21.4 percent shooting in the first half when they raced out to a 30-15 lead.

Bradi Boden was the offensive star of the weekend as she led the Cats on Friday night with 13 points and exploded for 17 points on four of seven shooting from behind the arc.

Ashten Wolfe bounced back with 13 points vs Latin along with four steals and three assists.

Ladycats: Wolfe 6, 0, 13, Hall 3, 0, 6, Boden 6, 1, 17, McClanahan 3, 2, 8, Jolley 4, 1, 9, Manor 1, 0, 3, Wanstrath 4, 0, 8. Totals 27, 4, 64. Three pointers: Wolfe, Boden 4, Manor Ladycats 20, 10, 18, 16, Latin 5, 10, 13, 22.

While the JV Ladycats have not started their season, the Freshmen Lady Kittens did with a close 41-44 loss to Mason County. The Lady Kittens spread the floor against the taller Lady Royals and used their ability to get into the lane to hold a lead throughout most of the game. Isabella Hall scored ten points in the first half with McKayla Manor hit two threes in the first quarter while Bailey Wanstrath had a key old fashioned three point play and Kaitlyn Meadows hit two jumpers.

But in the second half, Mason County was able to use their size advantage and pound the ball inside. Their 14-8 advantage in the fourth quarter was the key as they turned a three point deficit into the three point victory.

LadyKittens: Hall 5, 3, 14, Manor 4, 0, 12, Wanstrath 3, 1, 7, Bishop 0, 1, 1, Meadows 2, 0, 4, Blackaby 1, 0, 3, Totals 15, 5, 41. Three pointers Manor 4, Blackaby, Hall. Ladycats 12, 12, 9, 8, 41. Mason Co. 7, 14, 9, 14, 44.

The Ladycats have a busy week as both JV and Varsity host Bishop Brossart tonight and then travel to Villa Madonna on Saturday. The Lady Kittens travel to Harrison County to play at 6:30 p.m. on Wednesday.

Duke Energy Kentucky's current monthly DSM rate for residential gas customers is \$0.074572 per hundred cubic feet and for non-residential gas customers is \$0.000000 per hundred cubic feet. Duke Energy Kentucky's current monthly DSM rate for residential electric customers is \$0.001830 per kilowatt-hour and for non-residential customers is \$0.000917 per kilowatt-hour for distribution service and \$0.000078 per kilowatt-hour for transmission service.

Duke Energy Kentucky seeks approval to revise these rates as follows: Duke Energy Kentucky's monthly DSM rate for residential gas customers would decrease to \$0.016509 per hundred cubic feet and for non-residential gas customers would remain at \$0.000000 per hundred cubic feet. Duke Energy Kentucky's monthly DSM rate for residential electric customers would increase to \$0.001854 per kilowatt-hour and for non-residential customers would increase to \$0.001144 per kilowatt-hour for distribution service and would increase to \$0.000108 per kilowatt-hour for transmission service.

The rate contained in this notice is the rate proposed by Duke Energy Kentucky. However, the Public Service Commission may order a rate to be charged that differs from this proposed rate. Any corporation, association, body politic or person may by motion within thirty (30) days after publication or mailing of notice of the proposed rate changes request leave to intervene. The motion shall be submitted to the Public Service Commission, 211 Sower Boulevard, P.O. Pray for the sick and the families of Linda McGlone and Dottie Sissell.

The Christmas program will be held at 7 p.m. on December 18, 2011. Christmas service will be held from 11 a.m. to noon on December 25, 2011.

Message: Luke 23(39-43).

How easy is it to come and accept the Lord as your Savior.

Reclaim your intimacy with God. Your countenance will tell if you are unsaved. Give Jesus your whole heart, ask for forgiveness, and invite him into your soul. Ask yourself, "Do I have all of Jesus Christ? Has he accepted me?"

Our faith needs to come to life. Our sin is the picture of Christ marred sinless body and no matter what we do in this world, God still loves us. Remember when you accept Christ you don't just get him you get all of the Trinity.(Father, Son, Holy Spirit).

Butler Baptist

Herb Clark delivered the message from Psalm 24. He titled the sermon "Life on the Edge as a Christian." Sometimes as Christians we find ourselves out of focus and off balance. We are walking a tight rope with God on one side and the world on the other. In order not to fall, we need to keep our eyes focused on God. He knows we will sin, but He is there with forgiveness if we just ask. In our daily walk, we can choose to serve him or the world. We cannot love the things of the world and the things of heaven at the same time. We are given free choice and are responsible for the choices we make.

Will you choose the world or God today?

It was "Hanging of the Greens" on Sunday the 27th. Several members took part in placing the greens in the sanctuary and the children helped decorate the Christmas tree and the first candle of the advent was lit.

Now, the sanctuary is lovely in it's Advent greenery. Pastor David and Rachel spent the Thanksgiving holiday with David's parents in Baton Rouge, LA. They will return for services this Sunday.

The ladies enjoyed a Christmas party at the Hall's lovely home on Friday evening. Many thanks for their hospitality.

The Relay for Life Team is selling their cute t-shirts for the entire congregation to wear very soon. 'Star Light, Star Bright, Wishing for a Cure Tonight' is the caption on the shirts.

The choir and members of the play are getting all tuned up for Christmas service.

Don't forget the Kirsch's will be having their live nativity again this year, don't miss this extraordinary event.

We are hoping that your Christmas will include a visit to Butler UMC this year.

Merry CHRISTmas from the Falmouth Baptist Church! As we get busy with the hustle and

bustle of the season, let's not forget what it's all about. It's a celebration of the birth of Jesus Christ. Our sanctuary is beautifully decorated in honor of the season. Stop by and worship with us sometime soon.

We began our worship service with the baptisms of Craig and Tonya Jackson. We welcome them into our family of believers and ask you keep them in your prayers.

Bro. Cohen's message was about grace. We're saved by the grace of God, cleansed by the blood of Christ. We're taught by grace about Christian living, and how to say no to ungodliness and worldly passions. Grace also teaches us about the positive side of Christian living. Grace causes us to live in the hope and expectation of His return. What have you done with the grace of God?

Falmouth Christian

On November 27, the FCC Choir opened the morning service with the hymn, "Alas! And Did My Savior Bleed?" Brenda Abercrombie brought the special music. Brother Clay Sullivan preached the sermon, "What Is Your Attitude?" from Ephesians 4:17-32. Brother Clay preached three facts about your attitude. 1>Your attitude reveals the real you. 2>Your attitude determines the success and failure of every relationship in your life. 3>Your attitude is always your choice.

Names mentioned for prayer list were L.W. and Lorraine Bruin, Hannah Hart, Marietta Wilson, Kaylin Powell, Josh Cole, Michelle Caldwell, Jennie Cox, Kevin Powell, Brianna Wood, Wanda Gosney, Gracee Hutchison, and Kaelyn Adams.

At 6 p.m. on Saturday, December 31, 2011, Kenny Speakes will be here for the New Year's Eve Program.

Worship with us this Sunday: 9:30 a.m. Sunday school and 10:45 a.m. worship service.

Falmouth Wesleyan

The first association of trees with Christmas comes from Saint Boniface in the seventh century AD, when he chopped down a tree sacred to Thor to prove to the local villagers that the Norse gods were not legitimate. He dared that religion in this classic old-testament style confrontation, and he was never harmed by the false Norse gods. By the 15 century, this tradition was well established and people were cutting down trees and putting them in their homes to decorate with sugared fruit, candy, and candles.

It is interesting to see that when we place a Christmas tree in our homes, we are actually remembering one man's quest to show the world how Christianity is the true religion. Let us attempt to do this also with our lives this Christmas. After all, God gave himself to us on Christmas day—so why don't we give ourselves to Him.

First Baptist

On this first Sunday of Advent, we were blessed with two specials. Karen Crozier and Adarin Williams did a wonderful job.

Why do we celebrate Advent? It is to bring our focus on Jesus instead of the commercial aspect. Now it's time to start recognizing the biggest blessing of all, Jesus' Birth.

Today we light the HOPE candle. To have Hope we have to follow Christ's light. Even in our despair, we can look to Christ for comfort and guidance. Sometimes we need to go thru dark times to see Christ's Light. Through all the worries, sorrow, weeping, and sadness, we have HOPE with Jesus Christ.

Visit with us and celebrate the true meaning of Christmas thru song and scripture.

"No Jesus, no hope. Know Jesus, know hope."

Harvest Community

Our sanctuary is beautifully decorated for Christmas after the "Hanging of the Greens" service last Sunday. The service consisted of singing Christmas songs, hanging of the greens, reading the legend of the poinsettia, the displaying of the Nativity, the lighting of the Christmas candle, the Advent

Wreath, decorating of the Christmas tree and closing with the legend of the Candy Cane.

Everyone's participation made the service complete. Each Sunday we will light a candle of the Advent leading up to Christmas morning. We invite you to come join us as we celebrate the birth of our Lord.

Prayer concerns; Jamie Storer, Verna Adams, Ann Parnell, Shirley Grizzell, Geneva Field, Joy Thomas, Tiffany Hughes, Jerry Bruin, and the families of Elnora Delaney and Linda McGlone.

Come be our guest at 111 E. Shelby St. Blessings for a wonderful week!

So many events! We are in the middle of participating in the Deluxe Cleaners/ Family Resource Center Coat drive. We also hope to go to the Wilmes' for a Live Nativity if weather permits.

Recently we had first time visitor Kailee Simpson, friend of Maddie and Aubree Hannah. Jimmie Godman had seven students in the new young adult Sunday school class on November, 27. We divided one of the downstairs classrooms to accommodate this new class. We also had seven children playing "They'll Know We Are Christians" with our new bells.

Kelly Maxedon, Steve Work, Micah and David Wu are beginning a new band practice at 7 p.m. on Saturday nights. Anyone interested in music is welcome to attend.

Mount Moriah

We lit the candle of Hope on November 27. On December 4, we let the candle of Peace on our Advent wreath.

Psalm 29:11b says, "The Lord blesses His people with Peace." Isaiah 26:3 says, "You will keep in perfect Peace him whose mind is steadfast, because he trusts in you." John 14:27 says,

"Peace I leave with you; my Peace I give you." John 16:33 says, "I have told you these things so that you will have Peace. In this world you will have trouble. But take heart! I have overcome the world." Also, in Philippians 4:7, God's Word tells us Jesus gives us the Peace that passes all understanding! Wow! Do you have that kind of Peace? Do you want that Peace? In this Christmas season keep Christ in Christmas! Only He can give true Peace! God bless you! Merry Christmas!

New Hope Church of Christ

We often spend a great amount of time examining the people who came to see the Christ child in the Christmas account. The Scriptures also highlights people who enjoyed seeing the Christ child. Herod did not come because he was jealous and desired to keep his power. The religious leaders who were too uninterested to investigate the claims of the Wise Men. The shepherds left telling people what they saw. These people would not leave their homes to see the Christ child.

These are some of the same reasons people don't come to Christ today. Some are simply uninterested in hearing the story of how God saved them. Others do not want to give up something to gain eternity. Still some don't want to leave the comfort of their homes to know Christ. Just as the men in the Christmas account missed out on eternity in heaven, so do many today.

Oakland Christian

Our "Walk Through Bethlehem" has been such a blessing to our OCC family as well as to our many visitors.

Bro. Jim Flaughner (our new minister) brought the message, "O How Marvelous," referring to the birth of Jesus.

Choir practice will be held at 7 p.m. on December 7.

Upcoming Christmas events include December 15, Church Board meeting; all-church caroling, December 18; December 25 and January 1 will be only one worship service at 10:30 a.m. with no Sunday School.

Prayer concerns include Diana Monroe, Henry Bertram, Judy Bex, Jerry Bruin, Clara Bishop, Barbara Sue King, Larry Wright (shoulder surgery), Jim McCann (surgery), Lucille Klee (St. E Ft. Thomas), Cecil Jones, Brianna Wood, Joy Thomas, Richard Gronckel, Lorraine Bruin, Shawna McKinney, Elmo McKinney, Eudell Hall, Ronnie King, those with cancer issues, our shut-ins, and our armed forces.

Roanoke Christian

Bro. Don's message Sunday was taken from the book of Jude. Fight for our faith, this is our salvation. Jude reminds us of several who had lost their faith in God and the consequences they suffered. From the angels that followed Satan to Cain who became the worlds first murderer, and the destruction of Sodom and Gomorrah. He warns of "certain men that have crept in among them" that will do things to try and make them question their own faith or get them to take God out of their life. It appears that those "men" are still creeping in among us today. Remember, the faith will be rewarded.

Please remember those who are experiencing a difficult time in their life in your prayers and thoughts. Come and join us each Sunday for Worship services at 11 a.m. Sunday school at 10 a.m.

Short Creek Baptist

Youth meetings will take place at 5 p.m. on Sundays. RA's and GA's (grades first through fifth) will take place at 6 p.m. on Sundays. Children's Bible study will be held at 7 p.m. on Wednesdays, and the Christmas play on December 18.

The church would like thank everyone that helped with the Christmas decorations this year.

Our church would like to extent our welcome to you if you are searching for a church home. Come and worship with us.

Southside Church of Christ

"It's all good!" Do you agree? Or when you hear these words do you say to yourself, "Then what about my diabetes? What about my unemployment? What about that flat tire this morning? What about world poverty?" Our 'what-abouts' fly in the face of Paul's words (Romans 8:28). Some in our world have corrupted the promise creating a new expression-

"Everything happens for a reason." No, it doesn't. Senseless things happen all the time. But our Savior promises to take even this senselessness and weave it into the fabric of our lives for our good. As we wait in the rain beside the road for the tow truck or as we sit in the specialist's waiting room, palms sweating, the 'what-abouts' may taunt us. But we need to give in to them. We know "...God works for the good of those who love him..." (Romans 8:28)

Trinity Baptist

Wow what a week! Special thanks to everyone who helped in any way with Trinity's 26 Annual Thanksgiving Dinner. We were blessed to serve/deliver over 330 meals.

We celebrated the first Sunday of Advent. Marc explained the advent wreath to the children and they lit the Prophecy Candle.

The choir blessed us with "The Great I Am, Still Is." Beautiful words to remind us that God is still here and working daily.

The message came from 2 Thess. 2:13-19, "Satan Hinders Us." Good vs. Evil is a daily battle. Satan works to attack the Lord's servants with little jabs to get people disturbed and upset. This makes the flesh weak; ground yourself in the Word. Feed on the scripture and draw strength. Satan will hinder us each day, BUT he will only have as much power as we give him. Keep your focus on God and pray for others.

Turner Ridge Baptist

Sunday, November 27, Bro. Dale's message was "A Living Hope."

Scripture was 1Peter 3-5: Speak To My Heart. Adam Bonar read scripture from 1 Peter:18-21.

Children's message was "Waiting" given by Uncle Dale. Then asking them if they liked to wait and there was lots of things to do while waiting. They could tell others about Jesus and Christmas. Also, read the Bible and go to church.

Chorus special was "Star of Bethlehem."

There are several events coming up. Christmas Canta is December 11 and Children's Christmas play is December 18.

New friends were added to our prayer list.

We extend our sympathy to the Elnora Delaney, Linda McGlone, and Amanda Bishop.

Shut-in for the week is Tommy Miller.

If you do not have a church home, we invite you to come join us. We have alot of activities going on.
